

Divorce Liaison, LLC Fees

What is the Cost of the Divorce Liaison Services?

Account Set-Up: \$39.00

At the time of enrollment you will be charged an initial, one-time set-up fee of \$39.00. This set-up fee covers our costs of processing and reviewing your application and agreement.

The set-up fee also covers our costs of additional document review activities that may need to occur once your account is established. Depending on your situation, we may need you to send us certain documents that would be relevant to the services we are to provide. These could include, for example, custody agreements or other legal documents.

Monthly Services

Platinum: \$9.99 per month (recurring charge of \$119.88 and required taxes billed every 12 months)

Gold: \$14.99 per month (recurring charge of \$89.94 and required taxes billed every 6 months)

Silver: \$19.99 per month (recurring charge of \$59.97 and required taxes billed every 3 months)

Once we have established your account and have reviewed any additional documents you provide, we will notify you that we are ready to provide services to you, and will begin to charge you according to the monthly service package that you selected in your application.

The available service packages include our Platinum, Gold, and Silver packages.

The Platinum package offers the best monthly value, covering services for 12 months at the rate of \$9.99 per month. This arrangement represents a monthly basis savings of approximately 50% as compared with the Silver package. If you choose the Platinum package, you will be charged \$119.88 (plus any required taxes) every 12 months.

The Gold package offers a compelling monthly value, covering services for 6 months at the rate of \$14.99 per month. This arrangement represents a monthly basis savings of approximately 25% as compared with the Silver package. If you choose the Gold package, you will be charged \$89.94 (plus any required taxes) every 6 months.

The Silver package offers our base monthly value, covering services for 3 months at the rate of \$19.99 per month. If you choose the Silver package, you will be charged \$59.97 (plus any required taxes) every 3 months.

The monthly service charges cover our costs of various administrative activities that enable us to provide the services to you, including reviewing any additional relevant legal documents that may be generated while you are our client.

Direct Liaison Services: \$100 per hour

Our direct liaison services are provided in connection with specific events. Because our level of involvement can vary greatly depending on the nature of the event, the circumstances surrounding the event, and other factors, we provide these services at a rate of \$100 per hour, and track the time we spend in tenths of an hour increments. You will be charged for any direct liaison services at the end of each month in which the services are provided.
